the first volume in the landmark official history of australian operations in iraq afghanistan and east timor born of fire and ash is an honest challenging and compelling account of the 1999 2000 east timor crisis and australia s response to it australia s involvement in east timor from 1999 2000 was this nation s largest mission conducted under united nations auspices the single largest deployment of adf personnel since the second world war and an instrumental part of timor leste gaining its independence critically it was also one not nestled within a larger or lead nation s logistics and administrative support and also the first time australia had led such a large multi national force in short international force east timor was the most complex politico strategic challenge australia had faced at least since the 1940s written from classified government sources and buttressed by hundreds of interviews with veterans and stakeholders this first volume in the landmark official history of australian operations in iraq afghanistan and east timor born of fire and ash is an honest challenging and compelling account of the 1999 2000 east timor crisis and australia s response to it it tackles the good alongside the bad successes and failures to chart a complex truth unknown to most australians then and now

this book discusses current challenges in japan focusing on the nation s rapidly aging population and low birth rate along with persistent public bond issues with heavy interest payments the potential collapse of social security systems and income inequality as well as the global picture in turn it examines the accessibility of global fossil fuels and feasibility of large scale solar energy use a new theory of money interest and capital is put forward together with a proposal for an alternative system of international monetary cooperation to promote a more sustainable and equitable world specific topics discussed include the inverted population pyramid due to the dramatic change in human life spans and declining birth rates the rapidly shrinking workforce aging population and declining gdp share sourced from industry disproportionate debt expansion due to public bond issues and coping with a persistent budget deficit the potential collapse of social security systems combined with income inequality and how to mitigate these bio economic predicaments global energy sources offers

an essential guide for policymakers economists researchers and all those concerned with establishing a sustainable and equitable society from both energy and monetary perspectives further it will be of interest to readers around the world as the lessons learned from japan are crucial to other developed societies that may eventually face the same types of challenge

bachelor thesis from the year 2022 in the subject politics topic public international law and human rights grade 82 university of rwanda course law language english abstract this thesis analyses the enforcement of judgements of the east african court of justice the most generic challenge faced by many international courts is the level of obedience by their member states the eacj is not an island to this common reflection essentially international courts are influential only when their decisions are easily complied with and executed by member states if not as with the case of the eacj then such an international court will always be on the brink of being toothless and ineffective at the end of each reference the eacj delivers a judgment it also issues interim orders carrying a status similar to that of a court judgment member states as well as the council are bound to implement eacj judgments without delay but there are no established mechanisms to ensure compliance in the event that a state refuses to implement a decision against it since 2005 the eacj has dealt with more than 190 matters what is intriguing in those judgments is tracking the extent to which they have been met with compliance member states have not been sanctioned when they have failed to comply with the eacj s decisions it is a matter of fact and a matter of principle that the nature of eacj judgments is declaratory and this tends to attract noncompliance the best the court can offer is to declare violations of the law give orders for injunctive relief and award costs to the successful applicants the costs order depends on the nature of the case public interest cases do not attract costs orders
